

1 UNITED STATES DISTRICT COURT
2 DISTRICT OF NEVADA

3 REINA WOOD-JIMENEZ,

4 Plaintiff

5 v.

6 DMV,

7 Defendant

Case No.: 2:18-cv-02344-APG-DJA

Order Denying Request for Immediate Relief

[ECF No. 8]

8 Plaintiff Reina Wood-Jimenez filed a “request for immediate relief.” ECF No. 8. It is
9 unclear what Ms. Wood-Jimenez is requesting, but it appears she is seeking what is akin to
10 summary judgment in that she wants “validation” that a breath interlock device was not ordered
11 against her and “money to clean up all the paperwork” she apparently is facing. *Id.* at 2. As so
12 construed, the request is premature as it was filed before the complaint was officially filed in the
13 court docket and before the defendant was served with process.

14 IT IS THEREFORE ORDERED that the plaintiff’s “request for immediate relief” (ECF
15 No. 8) is denied without prejudice.

16 DATED this 10th day of September, 2019.
